

Tim Sheets – Angel Gates are Open 7/27/23

Father, we thank you for the privilege to partner with You. You are such a wise God and you are preparing us for a time of shaking but also a time a rest. You are preparing us in ways that will enable us to stand strong and stand in peace, unshakable in our courage. Thank you for that preparation.

We raise our voice to you and we declare in Jesus' name our victory in the name of Jesus. We thank you that when we pray, You hear us. We pray for the situations in New Jersey and this situation will shift and the diabolical attack will stop. We forbid it in Jesus' name. It will not succeed, the attack of hell will not prosper in Jesus' name, and the body of Christ in New Jersey and our nation will agree and we will win in Jesus' name. We declare that the prophetic voice of the church will rise and our prayers are coming before you and the prayer bowls are filling and going to be emptied, and great answers are coming now. We pray for the strategies that You have given us to succeed and more Revelation to come. We pray, Lord, that you would lead and guide us on our assignments and that the angels you are releasing from Heaven through an open gate will accompany all these prayer efforts all over our homes, our county, our church, our state, our nation, and the world. We ask that the angels take our decrees and the scriptures that we read and bring them to completion so that they will come to pass supernaturally. We are for angels to protect and connect to divine situations and connect strategic times and places, we pray that in Jesus' name. We declare that the angels that are assisting us will accelerate their activities as we declare the word of the Lord. They will harken and obey the original words that we are declaring in your name. We declare battering ram angels are breaking down, scattering and shattering, the root systems of Baal in our government in all of our capitals. Loose the battering of heaven and against the protective barriers that hell has erected over systems and corruption in our government. Expose it all, Lord! We thank you for the exposure we are seeing and it's accelerating more and more. We pray for courage for the whistleblowers who are coming forward and as they continue to come one after the other. We ask the You would help bring righteous Justice to this nation. We believe, Lord, this is a part of your strategy and we declare accelerate it Lord now, in Jesus' name. Continue to uncover evil at all levels. We declare that revival is coming, your plan will not be stopped, and we declare reset, reformation, and re-form-ation, just like you have declared over us. We declare and call in the prodigals to come home. We declare the church is rising for such a time as this and let the voice of great wisdom and boldness arise now from the five-fold ministers and also from the prophetic intercessors and the prayer warriors. Let the saints arise for this occasion in Jesus' name. We declare that the assignments will be successful. We praise you and thank you, Lord, that you are a God who cares and You are God who watches over your word to perform it. You are performing right now to bring to pass prophetic words from over the year that are now in their moment. Prophetic dreams and visions are coming to pass. We live in the greatest days of history and we declare the plans that you have formulated for our times will not be stopped by adversary, by evil, by government, by education. Nothing is going to stop it, not even hell. Your word said that you will build a church that will prevail and your

church out now, actively involved, declaring the prevailing word at our borders, at our capitols, at schools, everywhere we're putting anointing on our tires, because we believe what You said, that every place that we go, every step that we take, we are claiming it as territory for You. And we believe that America shall be saved and the great revival You promised is coming. We are declaring the Word of the Lord shall be accomplished. It will not be stopped. I pray the moment that is now accelerating will continue to build, plowing through the strongholds of darkness. We declare, in Jesus' name, this will be a reset moment in history.

We decree we are shifting from oppression to Great Glory.

We declare God's glorious presence is going to be visibly seen in this nation.

We decree that the awesome and weighty presence of God is going to become heavier and the weight of His Glory will break strongholds of darkness.

We decree the Glory of the Lord will be as a thick cloud that protects us in the day and a firey presence that lights up our night.

Your visible presence is coming. We invite Your Holy presence, Lord. Come and be among us. Manifest who You really are. Fill our regions and our nation with Your Glory.

We decree the New Testament Church will now emerge from the culture. We are not part of the culture; we will emerge from the culture to rule and reign with Christ. This culture of evil that is raising its voice and polluting nearly every part of our society, we bind that in Jesus' name. We declare that that assignment will not succeed, and it will fail.

We decree we will be filled and refilled with the Holy Spirit and power from Heaven. And we pray this over all the people who are still fulfilling assignments, who are praying at their homes, who are praying over maps, and declaring what You say Lord. Fill us with Your Holy Spirit, refresh us and strengthen us for this assignment. Quicken our hearts, minds, and assignments to us. Cause us to hear your voice with understanding and revelation and know what part we have to play so each of us can do something. We receive the power from Heaven upon us to accomplish these assignments.

We decree that God's heaven, Holy Spirit, and His angels all in partnership with the New Testament Church will now work together in the greatest mission of the church in all time. The young and the old will all work together.

We decree the third Great Awakening of King Jesus is beginning in this nation and will accelerate.

We decree a new Jesus movement is beginning, even greater than the charismatic movement. We decree and loose the Angel Army sent to assist a new Jesus Movement. We will partner with spreading the Gospel.

We decree a great reset is coming and America shall be saved. In Jesus' name, Amen.

Dutch – GH15 7/28/23 We declare that the shaking of America that has already begun and still yet to come, will be merciful and redemptive restoring us to our God and His purposes.
